DIRECTIONS

Feel free to call me (313-492-5964, cell) take Plymouth Rd EAST out of Ann Arbor, across 23, east through Dixboro, just past the strip mall to VorheisRd. Turn LEFT/ go north on Vorheis 1 mile to Warren (dirt road), Turn RIGHT /go east on Warren for about a mile to the driveway on left with the sign for "Oak Trails school" STAY TO THE LEFT on the drive at first, and round a curve when you get to the fork (bear right). If you end up in front of a house, you are not in the right place. If you end up in a cul de sac overlooking a pond/wetland, you are there. Park anywhere in the cul de sac. It helps if you pull all the way to the edge, nose-out, around the perimeter.

LAST FEW TURNS WILL BE MARKED WITH A REFLECTIVE PUMPKIN MARKER.
